

July 2019

It's summer at Mission:Dignity® and things are heating up! We are on a mission to reach and serve as many retired Southern Baptist ministers, workers and their widows as possible this year — and we couldn't do it without you and your generous contributions.

Thank YOU for making it possible for us to help retired soldiers in need, like Larry and Joan:

“My wife, Joan, and I want to tell you how very much we appreciate your decision to supplement our income. Unlike some people who would be able to put their main annuity in savings and not touch it, we have to live off ours. And so, that is why we're glad Mission:Dignity reached out to us. We simply didn't have enough money. Again, our profound thanks for your help.”

— **Larry Gilley of Pensacola, Florida, recipient since 2018**

Right now, our team is focused on contacting prospective recipients, assisting them in the completion of recent applications and processing donor and recipient referrals.

Will you help us spread the word and find more referrals? All you need to do is find @MissionDignity on Facebook, Twitter and Instagram to like, follow and share our content!

As a reminder, here are the guidelines for recipient approval:

- Age 65 or older
- Minimum of 10 years of salaried Southern Baptist service (not necessarily consecutive)
 - Or an individual who was married to someone in a ministerial position for 10 or more years during the time of their service and who would have met the above requirements
- Assets cannot exceed \$30,000, excluding their home and vehicle
- Income cannot exceed \$2,082 a month for a single person or \$2,820 a month for a couple

Meeting the needs of these faithful servants is a true joy and honor.

Thank you again for partnering with us to serve these warriors of the cross!
