

Could you use some encouragement? Our hope is that this message of thanks from Mission:Dignity® recipient Ms. Hilda Mount will do just that. Hilda is a widow whose husband served for 50 years as a pastor, and she wanted us to share this blessing with you:

“A Grateful Heart”

Give me a grateful heart, oh, Lord
For your wonderful love and care,
And when I arise and look at the skies
May I see your glory there.

As I make my way throughout the day,
Help me to think of your mercy and grace
And tell others of you, for your word is true,
And in my life, may it have first place.

At the end of the day as I kneel to pray
Give me a grateful heart
For all who helped along my way
And your presence that will never depart.

With deep appreciation for Mission:Dignity and all the generous people who serve the Lord and freely give to support people like me. May God bless you and reward you!

By Hilda Mount

Hilda’s blessing, and the blessings of our almost 1,700 recipients, will be honored by the Lord. Because you have helped those who cannot repay you, Jesus promises, *“you will be blessed . . . for you shall be repaid at the resurrection of the just”* (Luke 14:14).

On behalf of Mission:Dignity, I thank you — but my thank you pales in comparison to your future reward from our Lord.
